

## **New Users - Never Used MPO Online (old or new)**

1. It is necessary for you to contact MPO directly to receive your userid and temporary security code.
2. Go to the MPO Online web page.
3. Under the section, "First Time User", click on the ENROLL button.
4. Enter your member number
5. Enter your temporary PIN (issued prior by the credit union)
6. Read/scroll thru the end of the Terms and Conditions page.
7. Click the box that indicates that you have read and agree to the terms and conditions of MPO Online.
8. Click I AGREE.
9. Follow the steps to complete the Enhanced Authentication process etc.

Please contact any of our three branches for assistance.
